Room 203 –Full Day 3's Preschool

Olivia Kuzy : 412-242-4424, ex 32 , Teresa Mason, Bethany Stumme

SPOTLIGHT ON LEARNING

Our learning this month will center on an "All About Me" theme. We will focus on ourselves, family and pets, and school and friends. Children will be introduced to our job chart, vote for and learn to care for a classroom pet, and discuss routines and develop class rules for our room that will help us get off to a great start this school year.

Additionally we will review basic shapes and note the change in season from Summer to Fall. Apple investigations and explorations are a highlight this month also (please bring one apple, any color, the week of Sept 16th)!

Each month, we will feature a color, shape, and a personal/social skill that will be woven throughout our activities. Please help your child identify and bring items (crayon, food wrapper, small toy, clipping) that matches our monthly color as we will be creating collages. Items should be a size/weight that can be hung on the wall. Your child can bring in his/her items anytime as you find them. This month, if you have not already done so, we would appreciate an updated family photo to keep in our classroom.

Attached is a family project for you and your child to work on together. Please decorate the banner (crayons, stickers, photos, etc.) however you wish to represent your child and family and return it to us (Sept 11^h/12st) to be shared and displayed.
