

# Beulah Christian Preschool and Child Care

## IT'S TIME TO BE PREPARED FOR WINTER WEATHER!

*(Highlights from the Family Handbook, page 11)*

### BE ALERT for these POTENTIAL scenarios:

- A DELAY schedule where we delay opening the center by one or two hours depending on the prediction, i.e. open at 8:00 or 9:00 instead of 7:00. *\*\*If we must delay, be advised that we may need to subsequently CLOSE, so pay attention to further alerts. Do not assume we will be open after a delay.*
- Part-day, preschool only classes are delayed to a 10:00 start.
- We keep full day childcare classes open but cancel part-day preschool classes.
- We CLOSE the entire center.
- We schedule an EARLY DISMISSAL/CLOSING.

### ANY change in scheduling due to inclement weather will be communicated by:

- A message sent via the school REMIND app. *Make sure you have registered- instructions are found on page 12 of Family Handbook*
- A posting on the BCPCC Facebook page and/or website.
- Utilizing the local television stations of Channels 2, 4 and 11. You can also check for our postings on the television websites or weather apps.  
*NOTE: some channels have our program divided into two parts "Beulah Christian Preschool" OR "Beulah Christian Childcare"*

### IT'S ALL ABOUT SAFETY- FOR EVERYONE!

We make the best decision we can from the weather reports for our local communities and information regarding several of our local school districts. Our families and staff live in many surrounding communities so we try to be sensitive to travel concerns and road conditions for you and also for our staff. If we should be open on a day where your neighborhood is "iffy," please do not feel compelled to put yourselves at risk to come if you have the option to stay home.
