

September

Full Day Toddlers Room 202 L
Alice Lisotto and Caitie Johnston

Toddler Tidbits of Learning
This month in our Toddler Classroom we will be experiencing some of the familiar sights of our beautiful city, Pittsburgh. We will explore Pittsburgh being the "steel city" as we build bridges as we play with magnets and cars and trax. We will have days for our sports teams, Kennywood, and Mr. Rogers. We will have fun with science like at the Science Center. We will do art and also taste some of the special foods that are Pittsburgh.

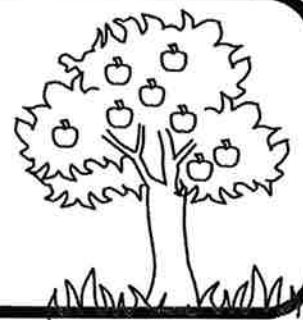

Please send in a water bottle each day with your child. The water bottle will be sent home each night to be washed and returned with your child the next day.

Introducing our staff:
202 R is Leigh Lewis and Juko Carroll.

202 L is Alice Lisotto and Caitie Johnston.

Way up high in the Apple Tree

Way up high in the apple tree, 2 little apples smiled at me.
I shook that tree as hard as I could,
Down came the apples.....mmmmmm they were good!

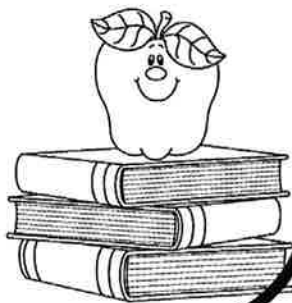

*HAPPY 2nd BIRTHDAY WISHES TO.....
OTIS 3rd . HAPPY 3rd BIRTHDAY WISHES TO SOPHIE 3rd AND
ANJELICA 20th*

More 'need to know' information

*If you are calling in the afternoon to say you may be late to pick up your child: call our room 412-242-4424 ext. 21 to leave a message (before 3:45) or Call 412-242-4424 ext. 33 (infant room) to talk to infant room staff. They will pass the message on to us.

- For nap time, please send in a standard size crib sheet, a blanket and a king sized pillow case so that your child's mat can fit inside the pillow case.
- Each child gets 1 cubbie bin with his/her name on it and 1 coat hook -please be mindful of the size of the backpack so that if the space is share, both children's belongings will fit. Also store your child's extra clothes in the cubbie, it is easier to grab the cubbie if we need a change of clothes. Thank you.

Important note about Snacks:

When purchasing snacks for our classroom, please read the label and make sure that the snack is NOT processed on the same equipment, or in the same facility as nuts of any kind or tree nuts.

We do have children with severe nut allergies and we want to make sure everyone is safe with the foods that we serve in our classroom. Thank you for your help.

The Applesauce Song
(sung to the tune of
Yankee Doodle)
Pick an apple, cut it up
and put it in a pot when
you stir it you will find
it's applesauce you've got
YUM!

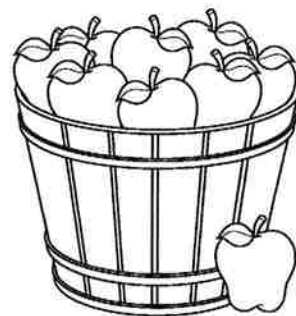

The Knowing Place

We will have monthly worship especially designed for toddlers.

Carolyn Leah, Director of Christian Discipleship at Beulah will share bible stories with us in the room downstairs called 'The Knowing Place'. Pictures will be posted of our time together.
